

Cruisin' Grand 2011

Car Club Information

Cruisin' Grand is proud to feature one least one Car Club per week to park in the center of our Cruise. Each Friday night the featured club is permitted to park on the south side of Broadway in Escondido at the corner of Broadway and Grand Avenue. This street is closed specifically for our event.

How to become a Featured Car Club

Car Clubs that want to park on Broadway as the Featured Club must contact us at (contact email) in order to reserve a weekend. Please note that these spots fill up fast and sometimes we will assign two smaller groups to share the South Broadway location.

Featured Club Parking

Broadway is closed each Friday from 4 PM until 9 PM. The featured club may start parking at 4:30 PM. While the street is closed, clubs do not have to park in marked spots and can park as they choose. All we ask is as follows:

- Please leave a 20' fire lane for emergency passage (from the alleyway to Grand)
- Please provide ample space for pedestrians to walk between your cars to prevent damage
- All cars must be parked on the street and not the sidewalks.
- All cars must be parked before 5 PM and then must be removed by 9 PM or parked in designated parking spots.
 - Cars not parked in designated spots by 9 PM may be towed by the city.

Also please understand that each club is responsible for making sure that any and all trash is properly disposed of before they leave for the evening.

Any questions?
