

Does your band want to play at Cruisin' Grand?

We have had so many requests that we have decided to put all requests in direct contact with our Cruisin' Grand Music Selection Committee.

All we ask is that you have some information ready to go when you contact us. Please be prepared to submit a photos of your group, a reference list of where you have played. In addition we are asking for a typical set list along with a recording of your group.

Once you are ready to go please contact our Cruisin' Grand Music committee at music@cruisingrandescondido.com

Thanks for your interest in supporting Cruisin' Grand, Southern California's Most Popular Weekly Cruise."
